Date: Tuesday 18th February 2025

Venue: Virtual Event via Zoom

Timings: 9:00am Login, 9:30am

Welcome & 4:30pm Close

Course Fee: £385

This course offers 6 CPD points and is suitable for any healthcare professional with an interest in mental health or those working with Deaf CAMHS.

Course description:

Deaf children and young people are more likely to experience mental health and behavioural challenges, not because they are deaf, but due to systemic and environmental factors. Communication barriers and the fact that many issues go unrecognised or masked make it harder for deaf individuals to access generic services. This day will explore the key factors affecting the mental health of deaf children and young people and provide guidance on how to effectively work with this population.
